GREEN

Do bowling action on the GREEN screen!

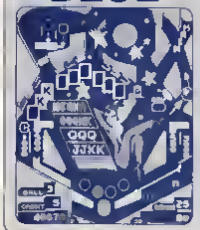
Passing the ball over ten-pin button awards a strike. Three strikes clear this screen, giving you an extra chance! Entering your ball into the upper right return hole returns the GREEN to the MAIN screen

RED

Do slot action on the RED screen!

Turn the slot with a spinning target. When same pictures appear, this screen is cleared, awarding an extra chance!
Then, complete BAR BAR BAR for another extra chance!
Completing **7 7 7** awards a special chance!

BLUE



Do poker action on the BLUE screen!

Aim at a drop target whose lamp is flickering!
Completing a combination of five winning hands (Royal Flush) clears the BLUE screen, awarding an extra chance!

DROP TARGET: When all drop targets in each color are dropped, the warp hole gate opens. When dropped the second time, the post ups on the warp screen. When dropped the third time, the return gate opens

COLLECT BONUS HOLE When the ball enters here, the bonus at this time is added, with the bonus remaining uncleared.

SPINNING TARGET Every time when it is turned, profit lamp conditions change

STAR ROLLOVER: When the ball passes over the button, the lamp comes on. Lighting up all of ten lamps awards profit lamp conditions.

PROFIT LAMP: Displays conditions when STAR ROLLOVER has completed.

R-G-B LAMP: When warping the screen in each color, the frame flickers. Lighting three frames awards an extra ball. When the warped screen is cleared, the letter flickers. Lighting three lamps awards the special (three credits).

BONUS DISPLAY: Increases at ROLLOVER lane with ADV or at target, and added when the ball has been entered the COLLECT BONUS hole, and at the time when the ball has gone out of the field
